

Windham Police Department

375 Gray Road – Windham, Maine 04062

Kevin L. Schofield – Chief of Police

klschofield@windhammaine.us

The month of March has provided some opportunity to work on various projects we have been trying to complete. As the result of the hard work of our college intern Connor Pinkham, many of our businesses have had their contact information updated in our records management system, also many of our dog licenses on record with the Town Clerk have been added as well. These two projects should assist our officers if and when we need to contact a business owner or locate the owner of a stray dog. We continue to purge old paper files no longer needed in order to help maximize efficiencies in records storage. We are also very pleased and appreciative of the remodel of the shower in the men's locker room. Not only does this increase space and provide a clean and professional appearance, the structural damage due to water leakage has been remediated. We are truly thankful to the commitment; support and hard work to everyone who made this project happen.

New Hire: We are very excited and pleased to welcome our newest officer to the department. Officer Timothy Connolly has accepted the position and will begin May 2, 2016. Timothy comes to us from the Town of York; he is currently a reserve officer for the York Police Department. He is finishing up his associates degree at SMCC. Timothy will begin field training under the leadership of Sergeant Andrews and attend the police academy in August.

Community Outreach: We continue to reach out to seek opportunities to reach out to the public in this capacity. During the month I have attended several Rotary meetings. I was a guest speaker, and presented to the Rotary on demographics of the Police Department as well as the programming and functionalities of the department as well as our future goals. Next month, we will complete another session of reading programs at the Primary school.
