Monthly Report October 2016

Community Outreach: The big improvement in the area of community relations this month was the implementation of our capital improvement plan for fiscal years 2016 / 2017 to replace the 2006 Community Services Officer Chevrolet Suburban. A new 2017 model was procured to replace the old unit. This vehicle is not only used to transport students and equipment to various programs, it promotes the various programs our Community Services Officer participates in such as DARE, Project Adventure and Be the Influence.

Several CAD designs were created by Time for Wraps and displayed to students who voted on the various designs. The work was completed by Time for Wraps with the design that received the most votes, the Vehicle looks very sharp and will support our CSO program for many years to come. We would like to thank everyone involved for the support for this project.

New Cadet: I had the opportunity to attend the cadet inspection at the Maine Criminal Justice Academy. Our new cadet Devyn Rogers is doing very well with his studies and practical application scenarios. Devyn is more than half way through his 18 weeks of basic training with graduation Friday December 16th. We look forward to a contingent attending the graduation and Devyn joining our team at the police department and starting his field training process.

Substance Abuse Disorder Grant: The hiring process for the Recovery Liaison position as part of the process for the Substance Abuse Disorder grant worked on with Westbrook, Gorham and Buxton is in its final stage of the process. Officer Tricia Buck was involved in the vetting of applicants and interview process to select the candidate for the position. Currently, a background investigation is being completed on the finalist. The goal is to have the position filled shortly after Thanksgiving. We look forward to starting the much needed work on the recovery and prevention component of combating the opiate crisis facing our region.
